*To whom it may concern,*

I would like to introduce myself, i am the senior pastor of Hidden Valley Church. I have been pastoring this church for six years. I am ordained with Emmanuel Fellowship Inc. of Canada.

I have known Evangelist Gary Grant Baer for eight years, i am excited with the enthusiasm and vision God has given him, for reaching out to souls with the gospel of Jesus Christ, his dedication to God's work has been commendable.

Since first meeting Gary, he has shown great spiritual growth, and has always had a desire to see God's will fulfilled in his life.

I Am truly overjoyed with the work he has done with the "Southwestern Ontario Tent Revival" August 9-12, 2006, through his dedication and effort with all the planning (television, radio and newspaper interviews), and because of this revival there were many souls saved and set free from the clutches of satan, and has added growth to our church family. His ministry has been a blessing to our church and the community.

I am proud to have him as a part of our church, and i trust he will be a great blessing to you as he has been to us.

May God Bless;

Rev Tim Jones
